FOR IMMEDIATE RELEASE

BIKE PARKING IS FREE AT EARTH DAY MOBILE
Baldwin County Trailblazers provide Bike Valet Service

Fairhope, Ala (April 9, 2019) – Do your part to save the planet. Take a bike to Earth Day Mobile on Saturday, April 20.

Volunteers for the Baldwin County Trailblazers will supervise free bike parking, from 10 a.m. to 7 p.m. at the Fairhope Municipal Pier and Park.

“Earth Day is a fitting time to remind everyone of the advantages to personal and environmental health when you pedal or push, and leave cars at home,” said Jennifer Vestal, president of the Baldwin County Trailblazers. “Our volunteers have staffed this event for years because car parking is tight, and bicycling is an earth-friendly option.”

Scooters, strollers, skateboards and similar people-powered transport vehicles are welcome also to park at the Bike Valet.

The Baldwin County Trailblazers is a nonprofit organization dedicated to enhancing the quality of life in Baldwin County by making active transportation and healthy recreation accessible and safe. For more information, see TheTrailblazers.org.
